Our esteemed clientele

Success story

With over 80 years of legacy and more than 9000 workers, our client was challenged by manual processes and a fragmented business environment. We delivered a transformation from conventional to technology-driven collaborative manufacturing using an SAP S/4HANA greenfield implementation.

30% Quarterly increase in revenue and production

99% On-time shipping during eight simultaneous go-live in one cutover

Client speak

“ We chose a greenfield implementation despite significant risks, including a pandemic. We knew our team was strong but added support from Kellton, SAP and AWS gave us the confidence to proceed.
